**RECOMMENDATION:**

1. Council reappoint Ms. Joanne Osborne to the Planning Commission for a 3-year term expiring on January 31, 2007, or until her successor is appointed and qualified.
2. Council reappoint Ms. Crystal Timko to the Planning Commission for a 3-year term expiring on January 31, 2007, or until her successor is appointed and qualified.
3. Council reappoint Mr. Sean Laux to the Planning Commission for a 3-year term expiring on January 31, 2007, or until his successor is appointed and qualified.
4. Council reappoint Mr. David Horsman to the Planning Commission for a 3-year term expiring on January 31, 2007, or until his successor is appointed and qualified.

**COMMUNITY BENEFIT:**

The Planning Commission serves as an advisory body to the City Council on planning, zoning, subdivision development, and other development-related matters. State law requires that cities and towns establish a planning commission as an advisory committee to the governing bodies.

**DISCUSSION:**

On January 31, 2004, the Planning Commission terms of Joanne Osborne, Crystal Timko, Sean Laux, and David Horsman will expire. Staff has contacted these individuals and they have expressed a desire to be reappointed. Ms. Osborne and Mr. Horsman have served full 3-year terms and are eligible for reappointment to the Commission for additional 3-year terms. Crystal Timko and Sean Laux were appointed to the Commission in September of 2003 to fill the unexpired terms of Dustin Jones and Tri Trinh. The Zoning Ordinance limits the number of terms for Commission members to 3 consecutive three-year terms.

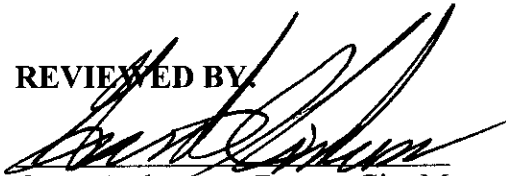

**Community Development Impact**

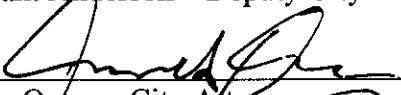

The Community Development office provides Staff support and clerical assistance to the Planning Commission.

**FISCAL IMPACT**

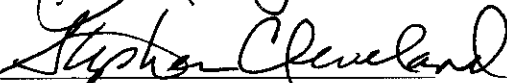

Commission members are compensated \$100 per quarter for their expenses.
